## Friends of Gothic Opera

Be a part of this unique company by joining our Friends.

At Gothic Opera we stage rarely-heard operas to a very high standard. We are an open-minded, ambitious and experimental company. We endeavour to include world or UK premieres in much of our programming, from newly-discovered nineteenth century works to new commissions. We perform in small and unintimidating venues, oozing with gothic atmosphere.

Our season of gothic-inspired concerts and operas is made possible by the support of our Friends and patrons, who receive priority booking and access to special events. Our Shelley Friends and Walpole Friends are also invited to attend special rehearsals.

Other benefits of joining the Friends include:

- helping to strengthen the company's development as we grow
- nurturing the careers of singers and other artists and music professionals
- supporting Gothic Opera's work bringing opera to a wider audience.
